GREATER NANTICOKE AREA SD

427 Kosciuszko St

Comprehensive Plan | 2021 - 2024

MISSION STATEMENT

The School District of Greater Nanticoke Area, in an active and inclusive partnership with families and the community, will work to prepare our students for the challenges of the future by having an integrated and rigorous curriculum that will inspire each student to become a lifelong learner in an increasingly diverse and ever-changing world.

VISION STATEMENT

Educate students today to build a better tomorrow.

EDUCATIONAL VALUE STATEMENTS

STUDENTS

Students will: Take ownership and pride in academics. Value everyone and treat people with dignity and compassion. Nurture our integrity through practicing inclusivity.

STAFF

Staff will: Be Lifelong learners. Be role models. Be developers of community.

ADMINISTRATION

Administration will: Develop and integrate a rigorous, inclusive curriculum. Maintain a culturally diverse, integrated community. Establish a safe environment within the school setting. Empower, inspire, support, and motivate staff and students. Serve as liaisons among parents, community, businesses, and school. Provide resources to enable success for all.

PARENTS

Families will: Provide a safe and nurturing home environment. Be an active participant within the school community. Encourage their child to reach their full potential.

COMMUNITY

Community will: Support the district through resources and programs. Support the district through scholarships which help economically disadvantaged students further their education. Support the district with involvement and opportunity.

Strengths

K-8 After School Shine Program that is STEM Based

ELL students enroll in Spanish III or IV instead of Spanish I or II due to their significant Spanish proficiency. Having these students participate in Spanish III and IV increases the proficiency of English Spanish I and II students.

WIN Periods at the high school and resource periods at the Ed. Center are increasing student proficiency in math and ELA as it relates to increased student growth.

Availability of K-5 Title I Reading and availability of Title I Mathematics in Grades K-12.

Highly Qualified Staff

Reverse Co-Teaching

WIN and Resource Periods

Utilization of funds and resources based on data regarding student behavior to employ a Behavior Specialist and data regarding truancy during the pandemic to employ a home school visitor.

Hiring and employing exceptional staff for certificated positions.

Challenges

Lack of family support

Lack of substitute teachers impacts content instruction particularly at the end of the pandemic.

Student Attendance

Transiency

Poverty

Lack of Family Involvement

Improving communication between grade levels and buildings. During the pandemic this was not possible.

Re-establish practices that were in place prior to the pandemic to

Strengths

Caring and motivated staff that are determined to improve lives of students.

Career Readiness Courses have been added to the high school curriculum.

Prior to COVID, students exceeded the benchmark standards for career readiness.

All students are required to complete portfolios for career readiness.

Challenges

allow teachers increased collaboration that was not allowable during the pandemic.

Time for collaboration between educators/ instructional planning (co-teaching). Time and staffing challenges.

Increase overall percentage of proficient/advanced students for Math, Science, and ELA Keystone/ PSSA exams. Structures, practices, and protocols for using data to identify evidence-based strategies and differentiated instruction to address individual students' needs now exist but need to stay consistent.

Use multiple professional learning designs to support the learning needs of staff.

Partner with local businesses, community organizations, and other agencies to meet the needs of the school.

Students with disabilities demonstrated an increase in the number of students proficient on ELA, Mathmatics and Science Keystone but did not meet the statewide goal/ interim target.

COVID disruptions impeded the completion of career readiness activities.
